Full job description

Your new company

Our client is an industry-leading engineering and fabrication company that was established in 2014 and provide services and products throughout Australia. They have been servicing the mining industry for many years and have developed expertise in pipe fabrication, structural fabrication, coded welding, civil works, and more!

As their future projects continue to grow, they are on the lookout for multiple Mechanical Fitters to join their team!

Your new role

As a Mechanical Fitter you will be required to undertake fitting and machining as directed by the Workshop Manager which will include build/installation works, and fitting of HDPE pipework, vales, and associated components.

This role will require you to work Monday to Friday with occasional weekend work, depending on current and future project demands. You will also be required to work day shift, 12-hours a day, 6am-6pm (these hours can be flexible if needed).

Located in Edinburgh, SA.

What you'll need to succeed

- Covid-19 vaccinations
- Basic hand/power tools
- Mechanical Fitter Trade Qualification
- Pass a full medical, and drug/alcohol assessment
- Any experience within Oil & Gas would be advantageous
- Experience working in underground mining would be highly regarded

What you'll get in return

- Generous hourly rate

- Ongoing opportunity
- Overtime available
- Possibility of permanency
- Work for a leading national company

What you need to do now

If you're interested, click 'apply now' or for more information and to find out about other opportunities in Trades & Labour, contact Kyra Richards at Hays on 08 7221 4171 or email kyra.richards@hays.com.au

At Hays, we value diversity and are passionate about placing people in a role where they can flourish and succeed. We actively encourage people from diverse backgrounds to apply.
