Full job description

- Join a multi award winning main building contractor with an outstanding rep
- Company on a consistent fast track growth trajectory and solid pipeline

About Our Client

The company is a well-respected, multi award winning main building contractor. The company have grown substantially in both size and reputation since the launch of the NSW office over a decade ago. The MD and upper management of the business take active roles in managing current and future client projects, mentoring and supporting their staff and leadership teams. The company has an outstanding culture and ethical values! A truly collaborative approach to the projects and works they do.

Job Description

- Full control of the company's BID's and tender process.
- Manage and review of all tenders
- Attend on-site inspections as required and tender meetings
- Negotiate agreements with suppliers and subcontractors/trades to secure prices over an agreed period
- Assist with the company's business development through relationships
- Work closely with the Construction teams
- Manage, develop and lead existing estimating team

The Successful Applicant

- Min 8 - 10 years' local commercial fit - out & refurbishment estimating experience
- Associated Tertiary qualifications
- Experience tendering on projects valued from \$2M - \$30Mil+
- Able to estimate across multiple disciplines
- Organized and detailed with high level of accuracy
- Possess basic understanding of construction law and generally accepted business practices
- Positive and professional attitude with ability to collaborate with other staff
- Strong teamwork orientation, initiative, communication, problem-solving, and leadership skills

What's on Offer

- Attractive salary package with bonus structures
- Enjoy a team-oriented culture
- Join an established construction business with a strong track record and stability
- Time flexibility with true work life balance
