Full job description

- **100% REMOTE WORK FROM HOME OPPORTUNITY**
- **Excellent online training programs & career development opportunities**
- **Lucrative salary package and benefits**

About the Client

A leading organisation in the accountancy space is searching for an experienced senior accountant to work with them remotely. You will work online with a portfolio of national and international clients with complex entities from an array of industries to help them reach their financial goals. This is perfect for someone with excellent communication skills who is technologically adept and can work autonomously with confidence.

The firm has come from humble beginnings, yet with enormous growth is has become a top-tier organisation. Due to its modest boutique origins, the firm maintains a relaxed and flexible work environment, yet with rapid growth it is now a reputable mid-tier that services an impressive and complex client base. The ex-Big Four Partners have done this through an emphasis on top-of-the-range processes and technologies to stay afront of market demands.

In terms of staff, the team is close, and many have progressed with the firm from juniors to managers. Concurrently, they are also very welcoming and excited to continue growing. Despite being online, the team often hosts trivia events, and there are weekly team catch ups.

About the Role

This role is perfect for a business services intermediate or senior with great attention to detail, who would like to work with a diverse range of clients face-to-face who have turnovers in excess of 500 million.

Work alongside managers and partners as well as the CEOs and CFOs of the clients, while guiding a small team of intermediates. In addition, you will:

- Oversee and deliver tasks such as management accounting, board report packs, cash flow forecasting, budgeting, and succession planning
- Partake in the entire client engagement process and provide excellent client advice online
- Complex tax returns and financial statements for complex client groups, as well as work on tax matters including GST, CGT, FBT and Div7a.
- Work with a diverse range of local clients from industries such as financial services, tech, pharmaceuticals, family offices and retail, as well as very HNWIs, to help them achieve their financial goals.
- Be the point of contact for clients and hold regular virtual meetings
- Organise workflows and review work for your team

Skills & Experience

- CA/CPA qualification or near completion
- Ability to work independently without supervision
- Minimum 3 years Public Practice experience
- Technologically adept and confidence in working with clients virtually
- Australian/NZ permanent residency essential
- Onshore applicants only

Benefits

- **100% WORK FROM HOME ROLE**
- **Large clients with complex structures**
- Grow your network and resume at a **TOP 100 FIRM**
- **Direct pathways for progression**– this firm prefers to promote from within whenever possible
- A diverse and inclusive team with **constant opportunities for staff training & development**
- **Bi-annual salary review**
- **\$1500 technology budget** for a new phone/laptop and home office set up
- **5 weeks annual leave** after your first year
