Full job description

Your new company

Hays Technology in Geelong are currently partnered with a large utility organisation located in Geelong, Victoria.

We are seeking to appoint a **Technology Business Partner** in an Infrastructure and Technology Operations program for an initial **12 month contract role** with a potential extension.

Your new role

The Technology Business Partner will be engaging with the business to ensure new initiatives are appropriately assessed and managed through to delivery. As a key resource in technology operations, you will be responsible for ensuring technology solutions are delivered using consistent project management and change management processes.

- Involved in coordinating the assessment of new technology request from business.
- Managing the delivery of minor technology projects.
- Change management principles and governance.
- Supporting innovation and continuous improvements
- Providing technology specialist advise to business.

What you'll need to succeed

To be considered for this role, you should have:

- a Diploma, advanced diploma or degree in technology or project management and/or extensive relevant work experience.
- Relevant and practical experience in delivering multiple small IT projects.
- Knowledge and understanding of project management principles, methodologies and practices.
- Knowledge of change management principles.
- Ability to analyse problems, develop solutions and work across a broad range of IT functions

- Expertise in developing technical options and analysis.
- Ability to build strong collaborative relationships with stakeholders by explaining complex technology topics in a manner that relates to business stakeholders.
- Excellent verbal and written communication skills.
- Experience in UX/ Human-centred design is highly desirable.

- Australian driver's licence.

Due to the nature of our client, for this role you MUST be an Australian Citizen OR a Permanent Resident OR Regional Resident with full working rights in Australia.

What you'll get in return

This role offers you an attractive hourly rate of **\$65 - \$71.20 per hour + super** with an immediate start.

Temporary and contract workers through Hays also enjoy a wide range of benefits including:

- Weekly pay cycles
- Your nominated choice of superannuation fund
- Online timesheet submission and approval
- No hidden costs or payroll deductions for our services
- No invoicing required for Pty Ltd holders
- Regular contact with Geelong based consultants throughout the duration of your assignment

What you need to do now

At Hays, we value diversity and are passionate about placing people in a role where they can flourish and succeed. We actively encourage people from a diverse background to apply.

If you're interested in this role, click 'Apply Now' to submit an up-to-date copy of your CV.
