### Full job description

#### Your new company

An Australian owned Civil Construction company is looking to bring on experienced Leading Hands into their work force. This company have over 30 years across civil infrastructure, asphalt and road profiling and pride themselves in safety, professionalism and respect. Their projects span across the country and they have a strong reputation in the industry.

#### Your new role

Working on projects predominately in Melbourne's North/West you will be responsible for the team and day to day activities, reporting into the Site Supervisor. It will be your responsibility to ensure that the job stays on schedule and are executed to standard. This may include:

- Reading plans and setting work accordingly
- Managing day to day works and overseeing all work
- Assisting Project Managers and Foremen to assure projects are delivered on time and within budget
- Ensure sites are operating safely in accordance with project SWSM
- Directing and managing on site team and subcontractors
- Completing all compliance documentation, audits, sign offs and safety inspections
- Conduct toolbox talks and staff meetings

#### What you'll need to succeed

- Previous experience as a leading hand or supervisor on large construction projects
- Experience working in the Civil Construction industry
- White card is essential, other plant operation or spotters/dogman's tickets will be beneficial

- Valid drivers' licence
- Excellent communication and time management skills
- Good attitude and the ability to lead by example

#### **What you'll get in return**

- Above award pay rate
- Overtime and penalties
- Immediate start
- Career progression for the right person
- The chance to work with one of Australia's biggest construction companies

#### **What you need to do now**
