Full job description

Your new company

A brand Victorian name, with family values, and genuinely a great staff retention rate. Both uncommon these days.

Having worked on Vicroads projects and other Vic clients for 40 years, they know how to deliver.

Your new role

Overseeing a \$20m MRPV project, you will work alongside an experience PM and construction manager to deliver this project over the next 12 months.

Responsible for delivery, quality and safety, this will be a pivotal role with the MRPV client. Based in the SE, this project will be a focus for this contractor.

What you'll need to succeed

All candidates must have experience working here in Melbourne on ideally Vicroads related road projects. You will have a minimum of 5 years as a Civil Supervisor, experience working on similar environments for similar clients. Experience dealing with all aspects of civil construction, roads, earthworks, drainage, pavements.

What you'll get in return

A company where you can genuinely stay for 5 years. They don't lose staff, a close knit group, but still large enough to give you major projects and a variety of clients.
