About your new role:

Working closely with residents, their families and the multidisciplinary team, the Registered Nurse will lead the assessment of the strengths and needs of individual residents and the development of individualized, person-centred support that promotes physical and emotional wellbeing.

The successful person for this role will provide direct clinical care in accordance with their scope of practice and oversee the delivery of clinical and allied health services for residents, including guidance to clinical and care staff. The Registered Nurse will coordinate and have leadership responsibilities for all resident care and work closely with the Clinical Manager in the identification of evidence based best practice and quality initiatives across the facility.

Roster (Please note that this roster is not negotiable):

This position will be working a combination of AM, PM, and night shifts on a rotating basis.

Skills and Experience:

- Alignment to our Values of Togetherness, Respect, Accountability, Caring and Respect.
- Evidence of qualifications in Nursing and current registration with AHPRA as a Registered Nurse.
- A proven high level of clinical competencies with excellent clinical analysis, interpretation, and planning skills.
- The ability to lead and positively influence a multi-disciplinary team in the delivery of person-centred support.
- Sound understanding of care assessment and provision within the Aged and Health Care sectors.
- Demonstrated effective interpersonal and communication skills (written and verbal) and relate to the aged care population with empathy, understanding and respect.
- Knowledge of legislation and standards pertaining to the Aged Care sector.
- Demonstrated proficiency in the use of a wide range of IT applications.
- Have excellent time management skills, with the ability to respond to changing priorities and manage a busy workload.
- Have a sound understanding of contemporary Aged Care issues and opportunities and experience in meeting Aged Care Quality Standards and legislation.
- Willingness to obtain or provide proof of Influenza & Covid-19 Vaccination
- Willingness to undergo a pre-employment medical if required
- Willingness to obtain National Disability Insurance Scheme (NDIS) check
- Willingness to obtain or provide proof of NDIS Worker Orientation Module
