Full job description

- Diverse large - scale Fit-out & refurbishment project portfolio
- Market leading, Upper tier company with an outstanding reputation

About Our Client

My client is a nationally recognised construction business with offices in all major metropolitan areas nationally. The business offers fit-out, refurbishment and infrastructure upgrades across all sectors. They have developed a strong client network across the industry by delivering high quality, functional spaces with top tier service and transparency. They take a very careful and considered approach to the people they bring on board to maintain and build on an empowering and collaborative culture where people are encouraged and supported in their career aspirations.

The company's management executives believe that the foundation of their success lies within their people and the strategic selection of high performing and experienced construction professionals who have successfully managed and delivered projects for Australia's leading organisations.

Job Description

- Organise, research, and strategically plan for estimate preparation, pricing, scheduling, and final submission
- Full control of the company's tender process.
- Manage and review of all tenders
- Attend on-site inspections as required and tender meetings
- Negotiate agreements with suppliers and subcontractors/trades to secure prices over an agreed period
- Assist with the company's business development through relationships
- Work closely with the Construction teams
- Manage, develop and lead existing estimating team

The Successful Applicant

- Min 5 years' local commercial fit - out & refurbishment estimating experience
- Associated Tertiary qualifications
- Experience tendering on projects valued from \$2M - \$30Mil+
- Able to estimate across multiple disciplines
- Organized and detailed with high level of accuracy
- Possess basic understanding of construction law and generally accepted business practices
- Positive and professional attitude with ability to collaborate with other staff
- Strong teamwork orientation, initiative, communication, problem-solving, and leadership skills

What's on Offer

- Attractive salary package with bonus structures
- Enjoy a team-oriented culture
- Join an established and well-regarded construction business with a strong track record
- Work from home flexibility with true work life balance
