Full job description

Your new company

Your new company is an industry leading, not-for-profit health service that has serviced the local community for many years. With a mission of working collaboratively to improve the health of the local population, this organisation requires a like-minded individual to assist within their financial team in the capacity of a Management Accountant.

Your new role

Your new role as Management Accountant will operate within a small finance team and report directly to the CFO. You will apply financial expertise through a range of specialist accounting advice and support the organisation's operational goals. On a day to day basis you will be responsible for, but not limited to:

- Budgeting and forecasting processes including: reporting ,analysis and engagement with all cost centre managers to make informed decisions
- End of month processing including journal entries and analysis of expenditure and revenue

Work Authorisation

**AUSTRALIAN CITIZEN /
PERMANENT RESIDENT**

- Supporting operational managers through tailored reporting, analysis and education, to optimise space occupancy, utilisation and activity
- Grant reconciliation and acquittal
- Other adhoc financial duties as required

What you'll need to succeed

To be successful for this position you will be a tertiary educated accountant and ideally demonstrate the following characteristics:

- Demonstrated experience in data analysis. E.g. Month end result such as revenue, costs margin and cashflow
- Advanced MS Excel skills
- Exposure to healthcare sector or related industry
- CA or CPA qualifications preferred, but not essential

What you'll get in return

In return for your hard work, you will receive:

- Above market remuneration
- Salary sacrificing options
- Permanent, full time work
- Standard Monday to Friday business hours
