Full job description

Apprenticeship Opportunities in Tiling & Waterproofing - ASAP START

Protech have collaborated with some well-known Construction Clients on the Sunshine Coast and have numerous opportunities for you to complete a Certificate III in Wall and Floor Tiling or a Certificate III in Construction Waterproofing.

Prior to commencing the Apprenticeship, we have designed a full time **PAID** program which runs for up to 18 weeks, where you can build your confidence, life skills, trade knowledge and safety awareness.

In the program you will do a mixture of classroom and on-site training and **PAID** work experience, where will receive a Certificate I in Construction at the end of it. It is a mandatory requirement to complete this Program first, and based on your overall performance, you'll then transition into your choice of career, either a Certificate III in Wall and Floor Tiling or Construction Waterproofing with our host employer.

Essential Criteria

- Aged between 16-21
- Driving Licence and own vehicle desirable or you must have a means to be able to get to work on time everyday
- Able to pass a Pre-employment Medical and Drug & Alcohol Testing
- Indigenous and Female participants are encouraged to apply
