Your new company

Your new company started as a small residential company that now has grown in size and has started taking on larger commercial projects throughout South-East Queensland. They are now looking to hire Carpenters for ongoing work to continue to maintain their excellent growth. Be apart of their fantastic culture and growth!

Your new role

Your new role will require you to work closely with other carpenters and trades assistants to complete a number of different projects across Brisbane's Southside. One of the many projects that this company will require your services for is the construction of a play area for an early day care centre. Another is a high-end residential build worth millions. No two days will be the same and you will be given the opportunity to grow your carpentry skills across different facets of carpentry

What you'll need to succeed
